MICROFIBER POCKET MOPPING SYSTEM

The MaxiPlus® Microfiber Pocket Mopping System includes a pocket mop made from continuous, reinforced sewn edges to eliminate fraying that picks up 75% more dirt and dust per swipe than traditional mops. The pocket mop pads absorb seven times their weight in liquid and can be laundered up to 500 times. The frame features a locking clip for secure attachment to the lightweight but strong 60" extension handle for fast rinsing/wringing of mops without removing from frame. Now with 4 colored tabs to designate usage.
